

Laser FAX PARTS REFERENCE LIST

**MODEL: FAX-2840/2845/2845R/
2890/2940/2940R/2950/2990
MFC-7240/7290**

Read this list thoroughly before maintenance work.

Keep this list in a convenient place for quick and easy reference at all times.

NOTE FOR USING THIS PARTS REFERENCE LIST

1. In the case of ordering parts, it is necessary to mention the following items:

- (1) Code
- (2) Q'ty
- (3) Description

<Example>

	(1)	(2)	(3)	
REF.NO.	CODE	Q'TY	DESCRIPTION	REMARKS

2. Design-changed parts:

If any of the parts code is changed in this Parts List, one of the following symbols is indicated in the REMARKS column.

CHG (chg): The part code is changed for a new one in this Parts List.

ADD (add): The part code is newly added in this Parts List.

DEL (del) : The part code is deleted in this Parts List.

Symbol in capital letters indicates the latest parts change information in the page.

3. Parts change will be informed by the Parts change information.

4. Parts are subject to change in design without prior notice.

[Note] About Ref No.1*, when replacing the Main PCB UNIT for Europe production before October 2016, please use ERP LOT6 INSERTION together. Contents of these insertions are below in multiple language.

"Auto Power Off Mode

Auto Power Off Mode is available with your machine. If the machine is idle for a certain length of time, it will turn off automatically. You can change the Auto Power Off settings from the EcoLogic menu. Auto Power Off Mode is not available when your machine is connected to either a network or a telephone line.

This is because Auto Power Off Mode turns ON in default to comply with EU eco-design directive(ErP Lot6 Tier2) after production in November, 2016.

[Note] [About Ref No.1*, 2*, 3*, 6*, refer to APPENDIX for the correspondence of ErP Lot6 non-compliant/complaint parts code and how to find it by looking.](#)

Auto Power Off Mode turns ON in default to comply with EU eco-design directive(ErP Lot6 Tier2) after production in November, 2016.
